## WHO SAID THEY SAID IT COULDN'T BE DONE?

I did, we did and you probably have. In fact, I guess everyone who's thought about the enormity of putting out a comprehensive record collector's price guide or who has been tempted to try it has had to admit it couldn't be done and therefore didn't even begin to try. Or, if they did, it was a compromise from the beginning, incomplete, insufficient and unsatisfying.

The record industry has grown into a two and a half billion dollar a year behemoth that directly affects the lives of most Americans and probably half the people in the world. The total output since Edison's cylinders doubtless will never be known.

Only Jerry Osborne remained unconvinced. If you ever get to know Jerry, you'll realize he doesn't do anything halfway and when he decided he could put out a truly comprehensive price guide he started to work immediately and has done nothing else since!

# RECORD COLLECTOR'S PRICE GUIDE HAS GONE TO PRESS!

Jerry and I founded Jellyroll Productions to research and compile, identify, edit and publish not one, but a series of record collector price guides. The Pop and Rock guide for '76-'77 is the first of four that are in the works and that will be published in 1976. The quality and ultimate acceptance of any price guide, of course, depends on its accuracy and usefulness. The usefulness must transcend the scope of collecting from the hard-core old timers to the novice.

This Guide is the first to do just that. It represents the Golden Age of the 45, from 1950 to 1965. Every national hit that made the charts for even one week is listed alphabetically by title and artist, and many thousands of others as well. Each listing includes the hit side, the flip, the record label, the number, and the average asking price—or value—of the record in good condition and in near mint.

We believe that this annual Guide will have a lasting effect on the hobby, in that it establishes a uniform grading system that by definition standardizes what is good, what is near mint and the relative differences in value between the two.

The father of Oldies But Goodies, Art Laboe, has written the introduction. The material that follows, includes informative articles on the bootlegs (the Guide takes a firm stand against them), second pressings, colored plastics, the end of the era of the 78's, and a reflective study of the market as it is today and where it appears to be heading in all areas of record collecting from the old time discs to rhythm and blues, country and western, jazz, albums and the blossoming—booming might be a better word—decade of 1965 to 1975.

Jerry and I travelled 19,000 miles this year (we drove that far!) from coast to coast gathering information and consulting with dealers and collectors who are specialists in all the areas covered. Building on the firm foundation of Jerry's own years of expertise, the facts and figures contained in The Record Collector's Price Guide '76-'77 are in reality a brain trust of opinion. The names of these people appear prominently in a credits listing at the first of the book, and it is their combined experience and wisdom that lend the needed authenticity to the term you'll be hearing more and more whenever and wherever two collectors get together to discuss the value of a record ... "according to Osborne."

*A Happy New Year*

## ILLUMINATUS!

**ILLUMINATUS** - by Robert Shea & Robert Anton Wilson - in paperback, a three volume trilogy (really one long novel). The three books are **THE EYE IN THE PYRAMID**, **THE GOLDEN APPLE**, and **LEVIATHAN**. These books are indescribable but are must reading. If you have ever believed in any conspiracy theory - from John Kennedy to Martin Luther King - if you have believed in the Communist conspiracy, to a takeover by right wing fascists or left wing radicals - if you believe in Atlantis - if you want to know the dreadful truth about Yog-Sothoth and Cthulhu - or why some paintings of George Washington don't look like Washington - or the answer to a hundred other bizarre questions, this is must reading. With heapings of lurid sex, violence, insanity and everything else under the sun. Not for those who want a coherent plot and lucid reading. A mad journey into paranoia. Sorry but you have to be over 21 to order this from me and state so in your letter (as the sex is really gross - if you're under 21, get it at your local bookstore). This is a must for HPL fans as much of it is based on the Mythos and Lovecraft is even a minor character in the story - Yog-Sothoth is a major one, tho. Obviously, wildly recommended.....\$4.50

## LOVECRAFT

**MEDUSA** - by H.P. Lovecraft - a scathing satire in 29 heroic couplets by HPL, just recently discovered. Designed and printed on a hand-fed press, a limited edition of 500 numbered copies. The only publication of this verse was a half-century ago, under a pen-name. Now, with informative introduction by Tom Collins. A limited supply of this booklet now in stock, first come first served.....\$6

**HPL, DREAMER ON THE NIGHT SIDE** - by Frank Belknap Long - hardcover from Arkham House, this is due shortly (tho it has been delayed before). A personal memoir of HPL by one of his closest friends, this promises to be a major work on Lovecraft. Sure to sell out extremely fast, we are now taking advance orders to insure getting enough copies for our customers. Price has jumped back and forth and if it is less, we will refund difference.....\$9

**LOVECRAFT AT LAST** - a stunning large book which has received rave reviews everywhere. A detailed account of Lovecraft's correspondence with Willis Conover, shortly before HPL's death. Illustrated with many of Lovecraft's letters in facsimile, artwork, repros of rare fanzines, much more. A major piece of Lovecraft scholarship. A most important work.....\$20

**LOVECRAFT** - by L. Sprague de Camp - major biography of HPL which has been praised and damned by Lovecraft fans. A big big thick book on Lovecraft.....\$10

Quality bookmaking throughout. A must volume for the collector of fan.....\$10

**MYRDDIN** - fine fanzine on fantasy. Only issue in stock is # 2 which has interesting article on rare collection of C.S. Lewis manuscripts, poetry by Brennan and Munn, and more.....\$1

**FAR LANDS, OTHER DAYS** - by E. Hoffmann Price - we are hoping for delivery of this book before Xmas. A huge (more than 600 pages) 6x9 book, featuring 30 stories by Price, one of the best writers ever for the pulps. With many full page illustrations by George Evans. A stunning book that will be one of the best published in the field. Just look at *Worse Things Waiting* and you will realize what good bookmaking can be. From the same publisher, this will be even better.....\$15

**FANTASY CLASSICS** - large size, quality paperback books, with full color covers. \$2 each.

# 1 - **THE TERROR** by Arthur Machen - fascinating novel of slowly building horror as beasts revolt against mankind.

# 2 - **THE WEREWOLF** by C. Houseman - one of the first werewolf novels, an interesting rare story from turn of the century.

# 3 - **THE OBSIDIAN APE** by Robert Neal Leath - rare pulp novel in the ERB tradition of a lost race in south America.

# 4 - **ANCIENT SORCERIES** by Algernon Blackwood - fine novel featuring John Silence, supernatural sleuth

# 5 - **THE JEWEL OF THE SEVEN STARS** by Bram Stoker - fine mummy novel, later done as a Hammer film, by the author of *Dracula*.

**HARVEST OF HORRORS # 1** - Space and Time fanzine, this issue is the annual collection of fan horror stories, including "Spawn of the North", "Black Wolf" and more.....75¢

**LOOT OF THE VAMPIRE** - finally, after many delays, now in stock. Four stories from *Weird Tales* by Thorp McClusky. Four adventures of Lieutenant Peters and Commissioner Ethredge as they battle all sorts of evil meances, from a vampire count to a monstrous hypnotist, to a gray mold that controls men's minds. A fine collection of rare and entertaining pulp stories. Lots of fun, and lots of exciting adventure. Illustrated by Herb Arnold.....\$5

**THE GARGOYLE** - a tale of devil worship, in facsimile edition from *Weird Tales* in 1925, by Grege La Spina. A three part serial never before reprinted. Also included as a bonus is the novelet "The Devil's Pool." In facsimile edition.....\$5

**THE BRIDE OF OSIRIS** - by Otis Adelbert Kline - three rare stories from *Weird Tales*, including the title novel. Also included are "The Cup of Blood" and "The Bird People." With new artwork by Frank Hamilton.....\$5

**THE ANDOVER ROAD JOURNAL** - this thin fanzine is being sent free to all subscribers of *LOST FANTASIES*. Copies are available on a very limited basis, first come first served. A detailing of my efforts in editing the Jules de Grandin series for Popular Library, for publication in 1976, with information on picking stories, etc. 6 pages only, originally done for an Amateur Press Association. Very limited number.....50¢

**A FEW NOTES AND SUCH** - 1975 is drawing to a close and it has been a very good year for collectors - especially those in the Lovecraft, Howard and pulp fields. We hope that 1976 will bring as much good material as 1975. FAX should release its other Howard hardcovers as well as my own history of *Weird Tales*. In our own publications, we will shortly be announcing final details on *TALES OF THE WEREWOLF* by H. Warner Munn (next list). Also, soon after the Octopus, the Scorpion is due. And we already are negotiating for new *PULP CLASSICS*, including a detailed history of G-8.

Doc Savage paperbacks are due to start up again (finally) and the Shadow seems to be doing quite well. A new Zerkon book is due early in 1976 and we will be stocking that. The next Don Grant Howard book will contain "Rogues in the House" and "The Frost Giant's Daughter", illustrated by Marcus Boas. We were lucky to see the paintings for this book and they are stunning! Also due early in 1976 are new issues of *Nyctalops* and *From Beyond* the Dark Gateway. July 1976 will see the first of the Jules de Grandin paperbacks we edited for Popular Library, with covers by George (the Avenger) Gross.

In the works now is *PULP 8*, and we hope to have details on that fanzine shortly. Promised soon is *DUENDE # 2*, the first issue of which was quite well received. Odyssey Publications promises many more pulp reprints of rare pulps also.

And hopefully 1976 will finally see publication of Glenn Lord's monumental work *THE LAST CELT*. Carcosa has a Hugh Cave giant collection in the works, with great art by Lee Brown Coye.

All in all, it should be a great year for the collector. Phyllis and I would like to wish a Happy New Year to all of our customers and all collectors in general. May each year be better than your last one!

**TRADES** - we are always interested in trading new material for old stuff. Our primary interests are pulps. We have all of the science fiction magazines but do need some early issues of *Weird Tales*. We are always interested, though, in obtaining any issues that we don't have of *Horror Stories*, *The Spider*, and many detective pulps. We will give \$40 in trade for the two 1935 issues of *Horror Stories* we need (\$40 each that is), and will make like deals for issues of *The Spider*.

We are also always interested in original artwork. Primarily we are interested in pulp art, preferably paintings, but are always after art by Virgil Finlay, Hannes Bok, and Edd Cartier. We also are interested in daily and Sunday page art by many artists and your for sale or for trade lists are solicited. We do not have any art for trade however.

**ART FOR SALE** - Recently, we have begun to sell original art, primarily from the science fiction magazines. We have a number of fine paintings used for SF magazine covers, published in *Amazing*, *Galaxy*, and *If* among others. All are suitable for framing, tho few are by major pulp artists. Prices are reasonable for art considering the prices asked at most science fiction conventions. If you are interested in buying such artwork, please send a Stamped Self Addressed envelope for more information.

**FILMS** - we collect 16 mm films, sound. We are always interested in receiving lists of such material for sale. We are primarily interested in cartoons (sound only please).

Imagine, if you will, a three day Saturday matinee. The years roll back and once again your favorite Western stars thunder across the silver screen. Roy Rogers, Gene Autry, Allan "Rocky" Lane, Charles Starrett—The Durango Kid, Buck Jones, Bob Steele, Monte Hale and many, many more stars will be represented in 125 films.

One film room will be devoted to those great action serials like THE ADVENTURES OF CAPTAIN MARVEL, DICK TRACY, ZORRO RIDES AGAIN, SPY SMASHER, THE MASKED MARVEL, FIGHTING DEVIL DOGS, BURN'EM UP BARNES, MYSTERY SQUADRON, THE OREGON TRAIL, and RIDERS OF DEATH VALLEY. Another room will feature a selection of horror-science fiction (THE WOLFMAN, THE MUMMY'S HAND), comedy (Abbott and Costello) and TV films (Superman, Annie Oakley and Star Trek episodes).

You will meet, in person, 14 stars and leading ladies from the westerns who will circulate to sign autographs.

C.C. Beck, famous artist/creator of Captain Marvel will be on hand. There will be a display of comic book original art.

Visit the large dealers room that will display, at 100 tables, western memorabilia, comic books, movie posters...you name it!

Top this all off with a banquet where the stars themselves provide live entertainment and you have the First Annual Florida Mid-Winter Western Film Round-up. Plan to attend and visit Disney World, only 5 minutes away.

**QUESTION:** I have heard of one incident where the FBI has visited one individual on three different occasions. Do you know anything about this?

WEBSTER: Yes, they do come in, talk to people in order to get information. There's all kinds of people that the FBI has visited. What they apparently do is talk to collectors in an effort to find out who is selling films. They want to find out who the dealers are, and how to come into contact with them. I think the possibility exists that some collectors may be paid informants.

## SUBSCRIPTION SERVICE

- 1.) Base your order on the total number of publications of any one price; in other words, 12 copies of one title or the next 12 consecutive issues of one title or 12 different titles in one month all costing the same 25¢ would be 23¢.
- 2.) We carry any newstand magazine, so order what ever you wish.
- 3.) Try to give us lead time on the issue number you are ordering (the Comic Reader is a good source). If you do not specify otherwise, we will send the next available numerical issue.

- 5.) We ship subscriptions once a month, usually right after the end of the month. We take great care in attempting to foil the insidious plot of the Postal Service. As any collector knows, there is a directive in every Post Office ordering all workers to destroy any package which looks like it contains comics. We put our comics in plastic, protect them with cardboard, and so forth but it doesn't always work. We will ship by U. P. S. but to do so, we must have your street address. For some reason the Postal Service won't let U. P. S. deliver to your Post Office box.

**THE STRANGER** -- Orson Welles starred in and directed this classic film, which also features Loretta Young and Edward G. Robinson. The film is another Wellesian essay on the nature of evil. 95 minutes. . . . . \$139

**LITTLE SHOP OF HORRORS** -- Jonathan Haze, Jackie Joseph, and Mel Welles star in this very funny Roger Corman horror film from 1960. It seems that Haze has a flower shop, and one day one of his plants starts talking to him, demanding human blood. . . Jack Nicholson is featured as a masochistic dental patient. 65 minutes. . . . . \$109

**SOMBRERO KID** -- stars Don "Red" Barry and Lynn Merrick. 54 minutes. . . . . \$79

**SAGA OF DEATH VALLEY** -- Roy Rogers and Gabby Hayes co-star in this Republic western, which also features Don "Red" Barry in a supporting role. 54 minutes. . . . . \$79

**BILLY THE KID RETURNS** -- Roy Rogers is mistaken for the legendary Billy the Kid. Also starring is Smiley Burnette. 54 minutes. . . . . \$79

## PART ONE OF THE DELUXE 14 PART MARVEL COMICS INDEX MARVEL COMICS GROUP

The comprehensive guide to the heroic stories published by the

FIVE YEARS IN THE MAKING, this publication lists all the appearances of all the characters in the MARVEL universe since the first issue of FANTASTIC FOUR, November, 1961. Included are story titles, writers, pencillers, inkers, letterers, colorists, issue numbers, issue dates, page counts, cover artists, guest stars, guest appearances, villains and a wealth of other information for every hero comic!

Each listing is accompanied BY A BLACK AND WHITE MINIATURE PHOTOGRAPHIC REPRODUCTION OF THE ORIGINAL COMIC BOOK COVER, over THREE THOUSAND cover photos in all! Now you can grove on the covers without hassling your collection, and POSITIVELY IDENTIFY BOOKS THAT YOU STILL NEED.

Naturally, this Index is far too immense for publication in one volume at one time. Altogether FOURTEEN installments are planned, to be published at bimonthly (later monthly) intervals. Each part will have a brilliant four-color ACTION COVER and will be 80 to 100 pages long. Each part will be as current as possible, and after the fourteenth part is published, we'll begin all over again with a brand new, up-to-date Part One, with a new cover, continuing indefinitely!

The information in the MARVEL COMICS INDEX is based on the computerized Marvel Index maintained by George Olshevsky. Those of you who have received copies of the computer Index know what a mass of information it contains. Not one datum from the original will be omitted, and in addition each part will be cross-indexed by personnel and by major characters. When you combine the CROSS-INDEXES, the INFORMATION CONTENT and the COVER PHOTOS, all on QUALITY PAPER, TYPESET, with a FULL COLOR COVER, it's certainly clear that this is an item which must be in your permanent MARVEL library!

### ORDER YOUR COPY TODAY!

Send only \$4.45 (\$3.95 plus 50c for postage and packing) for your copy. ADVANCE SUBSCRIPTIONS ARE AVAILABLE for the next four installments of the MARVEL COMICS INDEX at \$15.00 each. Since the minimum cover price of each installment will be \$3.95, the subscription price provides substantial savings over the total cost of four volumes. This protects you against possible price rises due to increases in printing costs or size of individual issues. We pay all postage.

The fourteen parts as currently planned are:

- \* PART ONE: THE AMAZING SPIDER-MAN
- PART TWO: CONAN AND THE OTHER BARBARIANS
- PART THREE: THE AVENGERS, DEFENDERS AND CAPTAIN MARVEL
- PART FOUR: THE FANTASTIC FOUR AND THE SILVER SURFER
- PART FIVE: THE MIGHTY THOR
- PART SIX: THE INCREDIBLE HULK AND THE SUB-MARINER
- PART SEVEN: DOCTOR STRANGE, SHIELD AND WARLOCK
- PART EIGHT: CAPTAIN AMERICA AND IRON MAN
- PART NINE: DAREDEVIL AND THE X-MEN

# SLEEP UNDER THE STARS

Imagine the peaceful sensation of gazing up to thousands of distant stars. You can easily create this realistic optical illusion on your ceiling with the starmaker kit. The kit includes a ½ oz. jar of specially blended luminous starmaker paint, a dabbing brush, and complete easy-to-follow instruction which will enable you to faithfully reproduce the constellations, or dab a quick but impressive star pattern. This illusion is so convincing because all of the stars are painted on one flat surface. Because there is no 3rd dimension, you see the points of light as distant stars similar to those that are light years away and also have no visible 3rd dimension.

The starmaker paint is non-toxic, and will not damage painted surfaces. The stars are invisible when lights are on, and charge themselves with existing room lights. So lie back and dream of space travel. Reproduce your zodiac constellation above your bed! Imagine the surprise of overnight guests when you turn out the lights and they gaze into sensuous infinity.

**So what are you waiting for? A galaxy is only \$2.50 away!**

If I only had \$2.95 to my name, this is the item I'd pick up this month.

Does that line sound like an ad-writer's dream? Well, it's straight from the very first review of TOADSTOOL WINE that we have seen so far:-- word-for-word from page 39 of the fine fantasy journal published from Graceland College, Iowa: FANTASY CROSSROADS (#6). AND HERE'S EVEN MORE FROM THE SAME REVIEW:

This is one of the most exciting publications to be announced in a long time. Lee Brown Coye's front cover is horribly beautiful, Leiber's article on "The Literature of Cosmic Dread" is excellent, Fabian's back cover is enchantingly beautiful... and everything in between is well worth the cover price and more. You really should pick up this 64 page (8 1/2" x 11") extravaganza. It's a combination of the best of the fantasy fanzines around today.

I'd be ashamed to write an advertisement phrased in such superlatives!

Yes--- this is TOADSTOOL WINE. And it is now available.

TOADSTOOL WINE was originally conceived as a six-pack of fantasy samplers from the publications listed here:

*The Magazine of Fantasy and Terror* \*\*\* Moonbroth \*\*\* Space and Time \*\*\*  
Weirdbook \*\*\* Whispers \*\*\* Wyrd

Each publisher is represented by nine pages of fiction, poetry, articles, and/or artwork --- exemplifying the type of material usually published.

The *Whispers* sampler is a "Best of Whispers" reprint edition, and includes its own full size cover by Lee Brown Coye (the original reproduction was digest-size), stories by Fritz Leiber (a Fafhrd/Mouser short-short, THE BAIT) and Robyn Smith, and a long essay by H. P. LOVECRAFT in which HPL details his own techniques for plotting and writing weird fiction.

With the exception of a one-page comic strip, the other five publishers have used ALL NEW MATERIAL from their files--- material originally accepted and intended for use in their own magazines. Included are fiction by William Scott Home, Darrell Schweitzer, David C. Smith, Douglas Justice, and MANY OTHERS; poems by Robert E. Howard, Joseph Payne Brennan, Walter Sheddofsky, John Bredon, and others; artwork by a host of people including A. B. Cox, Gene Day, Gary Kato, Dany Frollich, Ron Wilber, Chuck Wing.... PLUS reviews, criticism, articles, such as DIE, BLACK DOG! --- a discussion of racism in fantasy by Charles R. Saunders.

In addition to the samplers, there are the NEW front and back covers by Lee Brown Coye and Stephen Fabian, the introductory article by Fritz Leiber (especially written for TOADSTOOL WINE), and interior artwork, including two full pages, by Jim Garrison, to make up the grand total of 64 pages.

Some of our prepublication subscribers have reported that the single most outstanding feature of this remarkable collection is the fabulous artwork. TOADSTOOL WINE contains 12 full pages of artwork plus a much larger number of interior illos; and the reproduction by lithograph on the 70-lb paper has turned out to be superb.

TOADSTOOL WINE may now be ordered, and will be sent by return mail. The price is \$2.95 per copy. Please make your check or money order payable to WEIRDBOOK and mail to:

## THE RAY & BLACK CONDOR

BY LOUIS K. FINE AND OTHER ARTISTS

## INTRODUCTION . . .

by James Steranko

Whenever comic fans, nostalgia freaks and collectors gather, the names of Kirby, Kubert, Williamson and Wood will inevitably be mentioned. And if by chance the gathering should include the hard core connoisseurs of the graphic art of storytelling, conversation will eventually turn to the work of Lou Fine.

In the Golden Age of Comics, Lou Fine was a star of the first magnitude, a comet whose blazing talent and imagination lit the dawning skies of an era he helped pioneer. Few comic book artists in the formative years of the 1940's left such a dazzling trail — few could ever really be called an "artist's artist," as Fine was known to his peers. Though his output was hardly as prodigious as some, the quality of Lou Fine's art has earned him an honored place in the Inner Circle of Golden Age Artists.

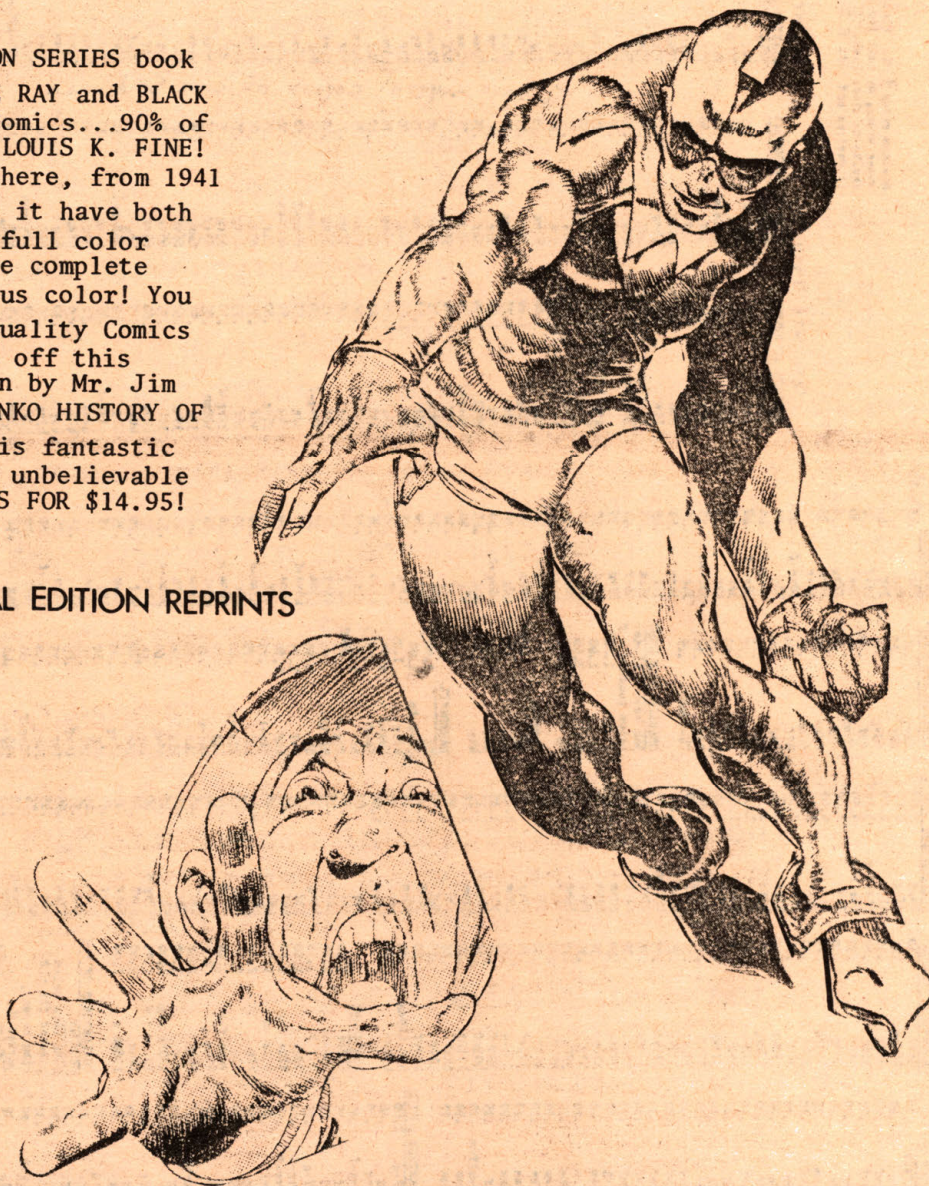

Lou Fine's most outstanding work, at least in the superhero field, has been collected here in this column, SPECIAL EDITION 2. An armful of the rarest and most expensive comics to be found have been gathered to produce this magnificent tribute to Lou Fine and his work. Collectors and connoisseurs of comic art will find it worth many times the price of the book in excitement and sheer entertainment value!

Now, sit back and join the rest of us as we enter the fantastic world of Lou Fine . . .

LEONARD HOLLMANN, 1941 LEARNARD AVE., LAWRENCE, KANSAS 66044

The following comics are for sale at the prices indicated. They have been carefully graded according to the Overstreet Guide, and I have attempted to describe all defects as clearly as possible. No minimum order, but please include 50¢ per order for postage, plus an additional 35¢ if you want insurance. Please send SASE with order, so I can acknowledge and/or send refund. Payment: Cashier's Check or Money Order; personal check O.K., but shipment will be delayed until the check has had time to clear if I don't know you. Cash O.K., but not recommended—I cannot be responsible for any loss in the mails. Note: My street address is NOT the same as my first name!

You will notice that nearly all of these comics are in less than top condition. Most of the comics are at least good reading issues, and priced (I hope) accordingly. If anyone feels an item is over-priced, feel free to make an offer, BUT: (1) Don't expect an immediate reply, I will wait to see if the item sells at the price listed; (2) If you are also ordering comics, make your offer on a separate sheet of paper and enclose a second SASE. Good luck!

CODE: F-fine, vg-very good, g-good, f-fair, p-poor, C-coverless, fc-front cover, bc-back cover, cl-cover loose, nbc-no back cover, cfl-centerfold loose, cfm-centerfold missing, ed-page edges slightly discolored (browning from age), but not brittle, edb-page edges discolored and also slightly brittle, sr-spine roll.

FULL COLOR NUMBER 16 MICKEY MOUSE COMIC  
68 COLORFUL PAGES  
ONE OF THE RAREST COMICS IN FANDOM  
TODAY  
AVAILABLE TO TOP BIDDER.....

I am not a dealer or really a collector  
for that matter. I do have a very good copy  
of this first full length MICKEY MOUSE COMIC  
BOOK published in 1941.

I would rate it in very good condition.  
Slight tear in lower right corner of cover  
and slight tear on left side of back cover  
in the center. Otherwise complete.....

This really is the COMIC BOOK to have in your collection. Our hero  
MICKEY MOUSE OUTWITS THE PHANTOM BLOT. The entire comic concerns  
MM and one of the greatest villains ever created - THE PHANTOM BLOT.

I am making this an AUCTION item and ask for bids on this classic comic.

Minimum Bid.....\$195.00

All bids over the above bid will be accepted. Highest bidder will of  
course get the comic. Winning bidder will be notified THREE weeks  
after this issue of BUYER'S GUIDE.

This is your chance to own a rare classic comic and title. Send all bids
